MEMORABLE LOCATIONS

Welcome to Santorini with views so stunning you can dial down the decor and bask in the uber-romantic setting. With 360-degree views melting into the Aegean, enjoy **signature Nobu cuisine** and exceptionally appointed accommodations, set against an Instagram-worthy backdrop.

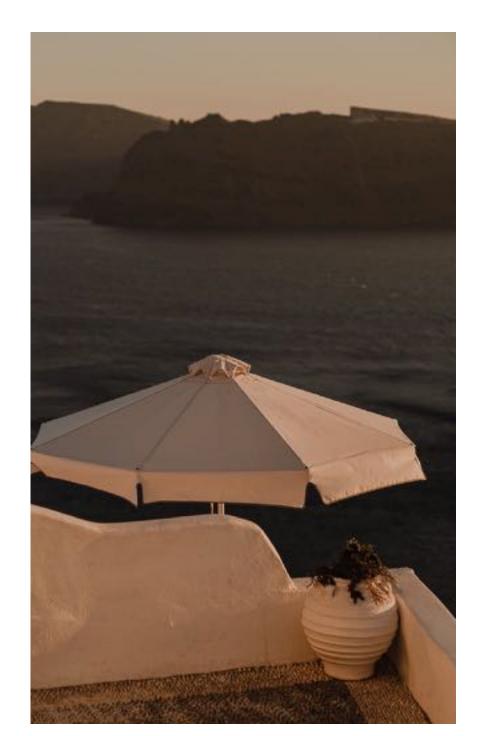

Nobu Hotel offers a relaxed vibe for a truly extraordinary celebration. Positioned along the famed Oia-Thira hiking trail, on the northeast coast of the island, the hotel is nestled in one of the most *private areas of the island* while offering the convenience of being just 20 minutes from the international airport of Santorini and between the capital city of Fira and the charming town of Oia.

Pose for portraits and exchange vows with the sea as your backdrop and continue the celebration long into the evening at Nobu restaurant. Guests will enjoy all that Nobu has to offer from the mouth-watering Black Cod Miso to signature sushi, sashimi, and locally inspired Nobu classics. Accommodating up to **100 guests**, the infinity pool deck offers a picturesque view of the Caldera and is the perfect spot for a celebratory toast and endless photo ops.

The resort offers 25 luxury suites, most with a private terrace and plunge pools, the ideal space for you and your guests to relax and unwind following the big day. Guests can enjoy the many amenities available including spa services, a state-of-the-art fitness center, a dual-level infinity pool, and the private clifftop location for sundowners with a front row view of the legendary sunset. For a more private experience, inquire with our team about a resort buyout and make the day truly your own.
